Ideas for how to play

## Match Questions and Answers

Cut out each trivia box, then cut on the dotted line to separate the questions from the answers. Pass out the pieces to players, then have them search for the match to the piece they received.

## Who Gets Most Right?

Pass out answer sheets for guests to write on. Verbally ask the questions, and have guests write down the answers. At the end, share the correct answers with the group and see who got the most correct answers!

## Collect the Cards

You can simply cut out the trivia cards and ask the questions aloud. Give the card to the person (or team) who first answers the question correctly, and see who has the most cards at the end of the game!
